Hi There!

Thank you for downloading "**Clip-Art Secrets.**"

This Super Report tells you how to access more than 1 million great clip-art images for

free!

Just follow the VERY SIMPLE steps in this book to access the more than 1 million clip-art images.

All of the pictures are online so you don't have to waste any space on your desktop.

Before reading, please take a moment to sign up for your free newsletter if you haven't already done so at [www.thetop10shop.com](http://www.thetop10shop.com)

You'll receive good news about how to own a profitable website as well as other great free reports like this one.

**Your privacy is respected.**

Thanks!

Ok, are you ready?

**Where to get 1 million+ great, clip-art images.**

All of the free clip-art and photography you need is located online for you.

To get the most and best free clip art and photography, there's a few VERY SIMPLE tricks.

Free Clip-Art Unlimited!

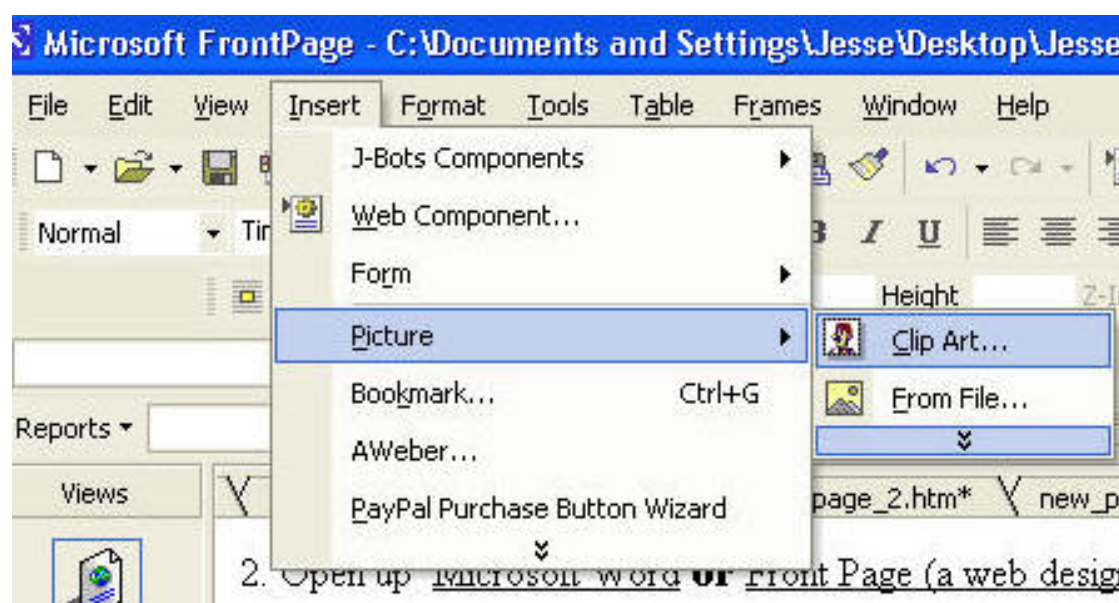

**Microsoft clip-art gallery.**

You may have tried using it already, though you need to do a few things for it to really work and give you good pictures to choose from.

You will have a ton of clip-art to use for your projects!

## **Follow these simple steps:**

1. Make sure that you are logged on to the internet.
2. Open up **Microsoft Word** or **Front Page** (a web design program).
3. Select Insert> Picture> Clip Art.

Don't use the Clip Art that is on your computer, rather, access the online gallery from within the program.

You will find almost all of the clip-art you could ever need.

## **Here's how to get the best choice of pictures:**

Be sure to only search **one** type of media file at a time, such as the "Clip Art" **or** "Photograph" **or** "Movies" **or** "Sounds".

You can do this by clicking on the "Results should be:" box and checking 1 type.

Example: Let's say you want a picture of a "bridge".

**Insert Clip Art**

**Search For**

Search text:  
bridge

Search Restore

**Other Search Options**

Search in:  
All collections

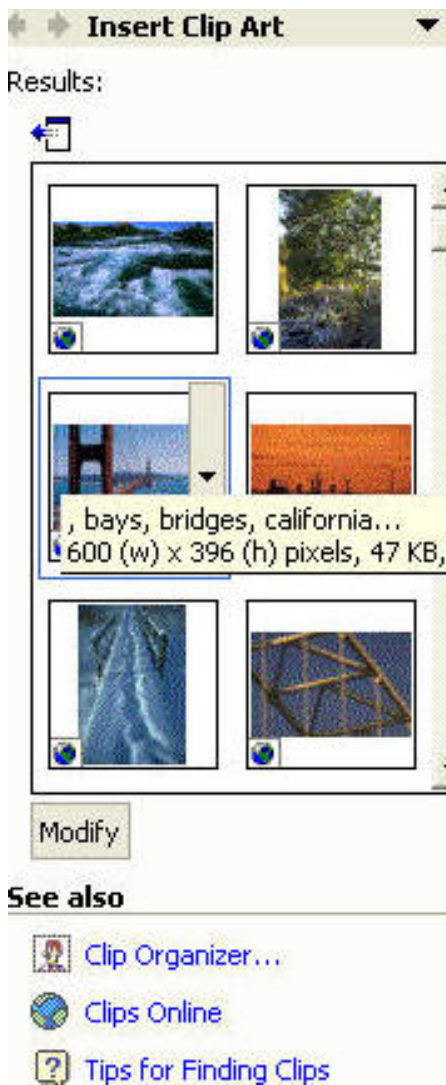

Results should be:  
Multiple media file types

- ☐ All media types
  - ☐ Clip Art
  - ☒ Photographs
  - ☐ Movies
  - ☐ Sounds

[? Tips for Finding Clips](#)

Type bridge and check only 1 box...either search for clip-art or photographs.

You'll get a great selection if you only use 1 type at a time.

Pick a picture:

**Golden Gate Bridge Photo.**

This is all you need to do to get 1 million+ clip-art pictures and photos, so use it!

You'll be pleasantly surprised.

One of the great things about these pictures is that they're already optimized well for web use.

You can also get Music/sound Clips from the gallery.

Just type a description and click only the "sounds" box to get a good selection of midi sounds.

-----

Excellent!

You have almost all the pictures you'll ever need... so what to do with it?

## **Uses for Clipart**

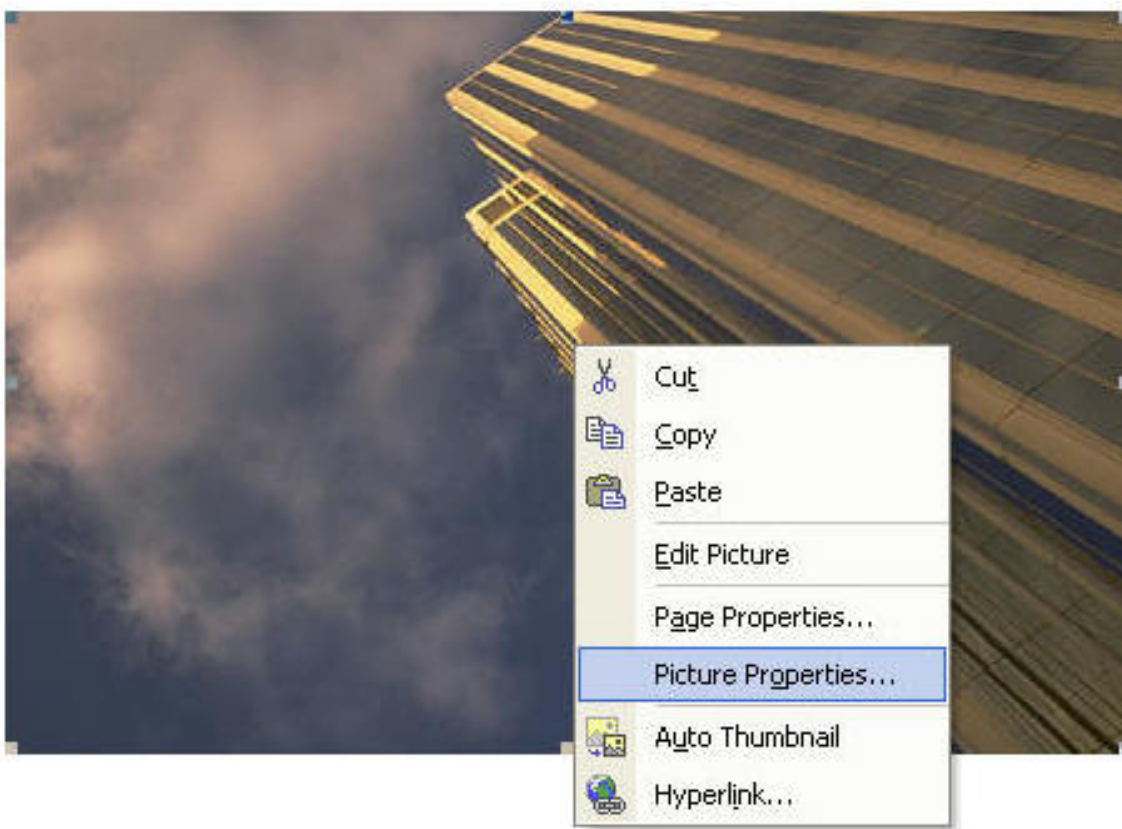

You can make pretty good eBook Covers, Virtual CD covers and Report Covers using this free cover maker.

Just [click here](#) and select "Graphics" to see how easy it is to make an ebook cover!

([www.groundbreak.com/graphics.htm](http://www.groundbreak.com/graphics.htm))

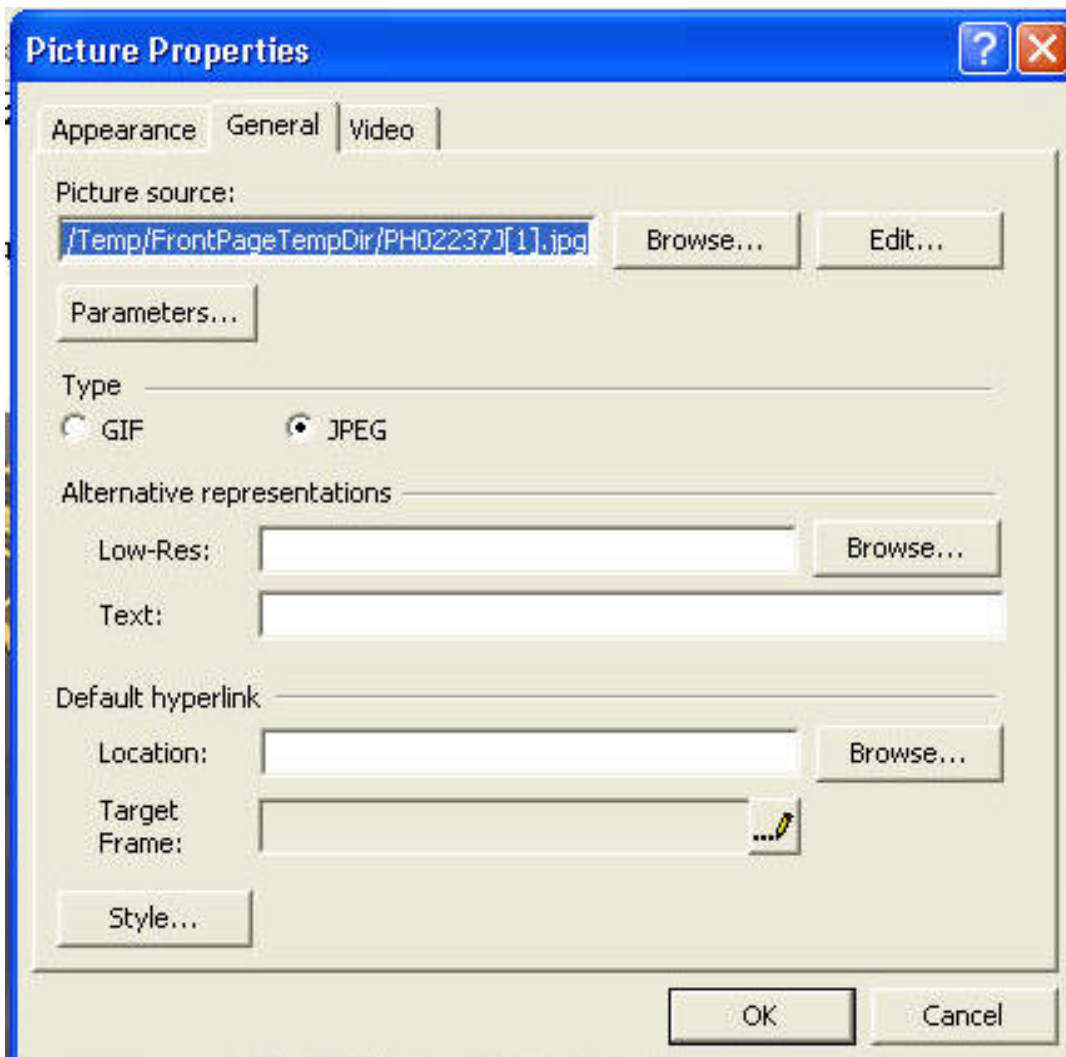

You can use a clip-art image to make your cover.

Just insert an image into MS Word or Front Page.

Right click on the picture & select "picture properties."

Then click on the "General" Tab and highlight the image path.

Press Ctrl+C to copy the image.

Then paste the image path into the free book cover maker ([click here](#))

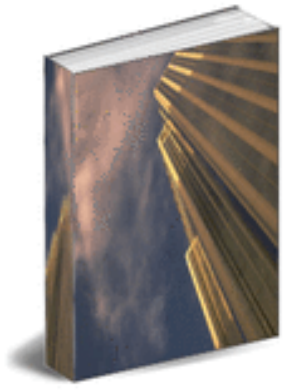

### Step 3: Select the graphics you want to use

**Cover Graphic:**  
This graphic will be used as the main cover and also as the binding if the binding graphic isn't specified.

**Binding Graphic:**  
(Optional)

Click the "Create Your Graphic" button...

Add some text...

***Viola!***

You can also make CD covers!

Sample CD cover.

Clip-Art and photographs are a valuable commodity online because they add perceived value to your products and presentations.

Those Book Covers above are OK, but if you really want the best product to make eBook Covers, CD covers, Special Cards etc...you must get this program:

[ECoverStudio](#)

It's awesome.

Don't hesitate to get this!

It's the best around!

This is what I use for all of my projects...it's easy to use and the results are always good.

You can download the free, fully functional 30-day trial version to see how well it works at [ECoverStudio.com](#)

## **Conclusion:**

Clip Art is easy to get and very useful if you use resources located online.

Graphics can be copied and added to websites, printed brochures, newsletters, reports, and other documents.

Clip art images may be trimmed, altered, and added to, to allow you to use only part of an image or use it in a bigger picture.

To get the maximum benefits from your clipart read the books mentioned on this page.

I hope this report has been useful to you.

I wish you the very best in all of your online endeavors.
